

Amendments to the Specification:

Please amend the specification as follows:

Please insert the following heading and paragraph to the top of the first page of the application:

RELATED APPLICATIONS

The present invention claims priority as a national stage application of International Patent Application Serial No. PCT/US2005/006771 filed on March 1, 2005, entitled An Interlocking Separable Joint. The present application claims priority to and the benefit of U.S. Provisional Application No.: 60/549,408, filed March 1, 2004 and entitled A Single Main Beam Bicycle and A Separable Joint, the content of which is hereby incorporated by reference.
